Award within this Group will be made to all responsive, responsible bidders who meet the minimum requirements set forth in this solicitation. Those requirements are as follows:

- 2.6.1 Bidders shall provide the name, address, and contact information for the manager of the parts department. If additional space is needed, bidder shall clearly indicate such attachment by referencing / labeling the additional page(s).

If bidder is an authorized distributor, retailer, and/or reseller of an OEM, OES or other manufacturer, the bidder shall provide certificate(s), supply agreement(s), letter of authorization on the OEM / OES company letterhead, or other verifiable documentation stating authorization to the bidder by name to sell each line item offered by the bidder. Conversely, documentation from the OEM / OES stating authorization is not available and/or not required to sell their product will also be accepted. During the term of this contract, the County reserves the right to add or delete vendors as it deems necessary in its best interests. Bidder shall indicate whether or not they have such authorization documentation, and shall provide all documentation with the bid documents due by the bid opening date. However, the County reserves the right to ask for additional clarifying documentation during the bid evaluation period in order to determine award.

It shall be the sole prerogative of the County as to the number of vendors who will be initially included under this contract. During the term of this contract, the County reserves the right to add or delete vendors and/or repair categories / line items as it deems necessary in its best interests. If the County elects to add vendors, they must meet the same minimum requirements established for the original competition.
